THeſaurus Linguæ Latinæ compendiarius: Or, a compendious DICTIONARY of the Latin Tongue, deſigned for the Uſe of the Britiſh Nations. In Three Parts; Containing, I. The Engliſh appellative Words and Forms of Expreſſion before the Latin; in which will be found ſome thouſand Engliſh Words and Phraſes, ſeveral various Senſes of the ſame Word, and a great Number of proverbial Expreſſions, more than in any former Dictionary of this kind, all carefully endeavoured to be rendred in proper and claſſical Latin. To which are ſubjoined, 1. The proper Names of the more remarkable Places rendered into Latin. 2. The Chriſtian Names of Men and Women. II. The Latin Appellatives before the Engliſh; in which are given the more certain Etymologies of the Latin Words, their various Senſes in Engliſh, ranged in their natural Order, the principal Idioms under each Senſe explained and accounted for, all ſupported by the beſt Authorities of the Roman Writers; with References to the particular Book, Chapter or Verſe, where the Citations may be found. III. The ancient Latin Names of the more remarkable Perſons and Places occurring in claſſic Authors, with a ſhort Account of them both hiſtorical and mythological; and the more modern Names of the ſame Places, ſo far as they are known, collected from the moſt approved Writers. To which are added; 1. The Roman Calendar, much fuller than any yet publiſhed. 2. Their Coins, Weights, and Meaſures. 3. A Chronology of the Roman Kings, Conſuls, and more remarkable Events of that State. 4. The Notes of Abbreviation uſed in ancient Latin Authors and Inſcriptions. 5.
